Satisfaction of Language Prerequisite

Name ___________________________________________ SID _______________________

**Language Prerequisite:** Minimum one semester of university-level Chinese by the end of the last term before departure.

**Satisfaction of Language Prerequisite**

Check the appropriate section below to indicate how you intend to satisfy the language prerequisite. Please note that you only need to satisfy the language prerequisite in one of the ways listed below.

Some important things you may need to do depending on how you fulfill the language prerequisite:

- If you’ve taken a language course on a Pass/Not Pass basis, you must have the instructor or the language department email the EAP program adviser what your letter grade would have been.

- If you are using courses taken at another institution to satisfy the requirement, you must provide documentation to verify completion of your coursework. Unofficial transcript copies (e.g. photocopy or online print out) are fine.

☐ 1. **Coursework**

☐ **Coursework Taken at Berkeley:** I have completed / will complete Chinese 1A, Chinese 1X or Chinese 1Y (or higher) at Berkeley prior to departure for the program.

☐ **Coursework Taken at Other Institutions:** I have completed / will complete the equivalent of Chinese 1A (or higher) at another institution prior to departure for the program.

☐ 2. **Language Evaluation**

If you have not satisfied the language requirement through coursework, but believe you have gained the equivalent language proficiency through experience in a Chinese-speaking culture in the U.S. or abroad, you may have your language skills evaluated to qualify for the program.

Please also indicate if you took an AP or SAT II Chinese Language Exam in high school:

After a preliminary review of your EAP application by the EAP program adviser, you will receive email instructions on how to get your language skills evaluated by the department of East Asian Languages and Culture. **Do not contact** the department of East Asian Languages and Culture directly.

The evaluation will assess your language proficiency, covering all four skills (reading, writing, speaking, and listening). Evaluations are likely to be scheduled during the first week of the next semester, depending on the availability of the evaluator. If you have a schedule conflict or miss the exam date, you will not qualify for EAP, no exceptions.
