UCEAP Preliminary Academic Planning Form

- Research prospective course work using the Preliminary Academic Planning Form Instructions.
- List the titles of courses you are interested in taking on EAP.
  - ✔ 8-10 courses for year-long programs
  - ✔ 4-5 courses for semester programs
  - ✔ 2-3 courses for summer programs (number required by program)
- Convert all EAP courses into semester units. Courses on the EAP website and in the MyEAP Public Course Catalog are referenced in UC quarter units; these will be converted to semester units on your Berkeley transcript. The # of quarter units / 1.5 = # of semester units (round to one decimal). Example: 5 quarter units / 1.5 = 3.3 semester units.

Name _________________________________ SID ________________ EAP Program _________________________

Major/Intended Major ______________________________________________________________________________

Second Major (if applicable) _____________________________ Minor (if applicable) ___________________________

Intended Field(s) of Study While Abroad __________________________________________________________________
