General Instructions: Place a checkmark next to the track you are applying to. If the track you are applying to has prerequisites, use the space provided below to list the courses that you have taken or will take before departure that will satisfy the prerequisite. If you have questions, please email Michelle Ayazi (mayazi@berkeley.edu) the EAP Ireland Summer adviser before submitting your application.

□ Physics for Life Sciences applicants are required to have taken two sequential courses of Single-Variable Calculus with a minimum grade of C and no repeats. The following UC Berkeley courses will satisfy the prerequisites:
  o MATH 1A and 1B, or
  o MATH 10A and 10B, or
  o MATH 16A and 16B

□ Computer Science applicants do not have any prerequisites to complete.

Some important things you may need to do:

□ If you've taken a prerequisite on a Pass/Not Pass basis, you must have the instructor or the department email the EAP program adviser what your letter grade would have been.

□ If you are using courses taken at another institution to satisfy a prerequisite requirement, you must provide documentation to verify completion of your coursework. Unofficial transcript copies (e.g. photocopy or online print out) are fine.

□ If you have any doubts about whether the coursework you have completed at another institution is equivalent to Berkeley coursework, email Michelle Ayazi (mayazi@berkeley.edu) the EAP Ireland Summer adviser before submitting your application.
