Italy Passport Requirements and Photocopy Instructions

Passport Requirements
A valid passport is required at the time of application for this program. Please ensure you meet the following requirements before you submit your EAP application:

- Your passport must be valid for at least six months after the projected end date of your EAP program. If your current passport will expire less than six months after the end of your program, apply to renew your passport immediately.
- The name printed on your passport must be identical to the name used in your MyEAP online application (even if this name does not match your Berkeley records) since discrepancies (including missing middle initials, second half of hyphenated last names, etc.) can result in problems with your host institution and student visa forms.
- Your passport must be signed to be valid. Remember to sign your passport before making your photocopies.
- The passport copy must be a scanned photocopy – NOT a photograph.

A reminder about the student visa application process for Italy (n/a for Florence Summer)
You will surrender your actual passport to the Italian Consulate three (3) months prior to the start date of your program in order to receive a visa to study in Italy. You will not be able to leave the U.S. during this time. You may be able to acquire a second passport to use during the visa processing time; however it is your responsibility to contact a passport agency for more information. The Florence Summer option does not require a visa, as its duration is under 90 days.

If Your Valid Passport is Unavailable by the Application Deadline
You must submit a copy of a passport order receipt if your valid passport is unavailable by the application deadline. The receipt is a temporary measure until you submit your passport photocopies. Your application is not complete unless you submit a passport photocopy OR passport order receipt by the application deadline.

Do I need to Use Expedited (Rush) Processing for the EAP Application Deadline?
You are not required to use Expedited (Rush) processing IF you apply for or renew your passport by the day of the EAP deadline and can provide a copy of the receipt as explained above. If you have been given permission to submit a late application, or if you did not provide a receipt by the EAP application deadline, you will be required to use Expedited (Rush) processing.

Photocopy Instructions
The passport copy must be a scanned photocopy – NOT a photograph. Each photocopy should be made directly from your passport and NOT from copies of the passport. Copy it on full sheets of 8.5” X 11” paper. Do not cut the sheets to size. Experiment with the copy machine until you get a clear, identifiable copy. Copies made too dark or too light to show your facial features will not be accepted.

The photocopies must show:
» Clear Photo
» Passport Number
» Date of Issuance
» Date of Expiry
» Signature

How and Where to Apply for a Passport
On average it will take 1.5 to 3 months to complete the passport application process. First-time passport applicants must submit evidence of U.S. Citizenship (for example, an original birth certificate), which can be time-consuming to obtain. Passport application instructions are available on the U.S. Department of State website: http://travel.state.gov/passport/passport_1738.html
You may be required to apply for a passport in person at a Passport Acceptance Facility. The Recreational Sports Facility (RSF) at 2301 Bancroft Way (on the Berkeley Campus) and the Berkeley Main Post Office at Allston and Milvia both process passports. For additional locations, see the U.S. Department of State website above. For additional locations, see the U.S. Department of State website above. After applying for a passport, you can check the status of your application here.

**Instructions for Non-US Citizens**

Contact your host country’s consulate immediately to determine your visa requirements. The visa process may take several months longer than for U.S. citizens. If necessary, contact the Immigration and Naturalization Service to extend the expiration date on your re-entry permit.
