Objective of the Advising Notes Document
This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific
details that may impact a student’s decision to apply for an EAP program. The document is not a summary of
eligibility requirements, academic, housing, application and other logistical details freely available to students
on the UCEAP and BSA website, and reviewed by a student in the Program Self-Assessment. The best source of
detailed program information is always the UCEAP Program Guide from the prior academic cycle. If any
concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes
document, please contact the BSA adviser for this program.

Additional Application Materials for CIEE
Students must complete CIEE application materials after their selection to the program by Berkley Study
Abroad. Students should note that the CIEE application will require items that may take additional time to
prepare, including, but not limited to, language evaluations, letters of recommendation, official transcript,
and passport-size photos. Please do not take action until you have been given detailed instructions for these
items by UCEAP. Please follow the application instructions provided by UCEAP very carefully, and abide by the
application deadlines set by UCEAP.

Scholarships
CIEE offers scholarships and grants based on merit and financial need. Students will have access to the CIEE
online scholarship application once they begin their CIEE online application. In addition, all UCEAP students
are encouraged to apply for the UCEAP Promise Award, which offers a $2000 award for semester programs.

Special Demands of the Program
Health and safety remain primary issues of concern for study in Jordan, particularly security and motor traffic.
Students must be prepared to follow all safety and security regulations and guidelines established by UCEAP,
the partner institution, and the U.S. Department of State. Students should review the US Department of State
Jordan country page as well as the UCEAP and CIEE Program Guides to familiarize themselves with risks
associated with visiting Jordan. Students should also familiarize themselves with the role of race, gender,
sexuality, and religion while studying in Jordan, and develop appropriate expectations according to personal
backgrounds and self-identification. Students should be prepared for the local environment and immediate
impact of different gender relationships, especially on female students. LGBTIQ students are invited to
reference the UCEAP LGBTIQ Community Resource Page to learn about host country laws and norms.
