UCEAP Advising Notes

Objective of the Advising Notes Document

This document is an advising tool written by a Berkeley Study Abroad adviser to review program specific details that may impact a student's *decision to apply* for an EAP program. The document is *not* a summary of eligibility requirements, academic, housing, application and other logistical details freely available to students on the UCEAP and BSA website, and reviewed by a student in the Program Self-Assessment. The best source of detailed program information is always the [UCEAP Program Guide](#) from the prior academic cycle. If any concerns you have are not addressed on the UCEAP website, in the Program Guide or the Advising Notes document, please contact the BSA adviser for this program.

Selection announced by July 1st - Pre-Departure Processing Starts mid-July

The UCEAP Switzerland pre-departure process begins almost immediately after selection is announced. Students who plan to be studying abroad during the Summer or Fall immediately after the application/selection period ending July 1st should be aware that they will have to be able to handle pre-departure paperwork requirements via email and the post office. The first requirement will be the University of Geneva host university application sometime in mid-July, followed by pre-departure paperwork and the Switzerland visa. Students who will be out of the country during the summer and/or fall semester prior to participation should contact the Swiss Consulate in the U.S. to find out what will be necessary to apply for the Switzerland visa from abroad.
